Independent Auditor's Report

To the Members of Philanthropy New Zealand - Report on the Performance Report

We have audited the performance report of Philanthropy New Zealand (the "Charity") on pages 6 to 16, which comprises the Charity's information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended 30 June 2020, the statement of financial position of the Charity as at 30 June 2020, and the statement of accounting policies and other explanatory information.

In our opinion:

- ► the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- the accompanying performance report on pages 6 to 16 presents fairly, in all material respects
 - ▶ the Charity information for the year ended 30 June 2020;
 - ▶ the service performance for the year then ended; and
 - the financial position of the Charity as at 30 June 2020, and its financial performance, and cash flows for the year then ended.

in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) issued by the New Zealand Accounting Standards Board.

This report is made solely to the members of the Charity, as a body. Our audit has been undertaken so that we might state to the Charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Basis for Opinion

We conducted our audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand), and the audit of the Charity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Performance Report section of our report.

We are independent of the Charity in accordance with Professional and Ethical Standard 1 International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interest in, the Charity. Partners and employees of our firm may deal with the Charity on normal terms within the ordinary course of trading activities of the business of the charity.

Impact of Covid-19

Without modifying our opinion, we draw attention to the disclosures about the impact of Covid-19 on the Charity as set out in note 15 to the financial statements.

Information Other than the Performance Report and Auditor's Report

The Trustees are responsible for the Annual Report, which includes information other than the performance report and auditor's report.

Our opinion on the performance report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the performance report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the performance report or our knowledge obtained during the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Trustees Responsibility for the Performance Report

The Trustees are responsible on behalf of the Charity for:

- ldentifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- ▶ the preparation and fair presentation of the performance report on behalf of the entity which comprises
 - ▶ the Charity information;
 - ▶ the statement of service performance; and
 - the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report

in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) issued in New Zealand by the New Zealand Accounting Standards Board, and

• for such internal control as the Trustees determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the Trustees are responsible on behalf of the Charity for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Charity either intends to liquidate the Charity or cease operations, or have no realistic alternative but to do so.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the performance report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this performance report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the performance report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Trustees and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the performance report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the performance report, including the disclosures. and whether the performance report represents the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures to obtain evidence about and evaluate whether the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

We communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
