Apply for Funding

Welcome to our 'Apply for Funding' page where you will find some key information and a short quiz. The quiz is designed to save you time by providing you with some guidance around whether your application is likely to fit within our funding parameters.

If you are interested in applying for funding, we recommend that you complete this quiz as your first step. Once you are confident that your programme or initiative fits our funding focus, you can complete the application form – a link is located at the end of the quiz.

Are you eligible to apply for funding?
